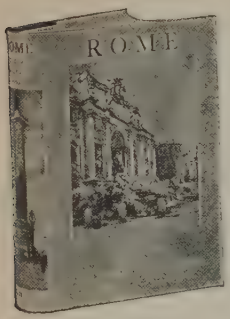
BLACK'S BEAUTIFUL BOOKS



THE POPULAR SERIES O
COLOUR BOOKS

Each containing 24 or 32 full-page illustrations in colour.

Large Crown 8vo, cloth, with attractive picture jacket.

EACH **7/6** NET

(*By post 8/-*)

PUBLISHERS' NOTE.

Everyone is agreed that travel, whether in one's own country or abroad, is the greatest stimulu broad-mindedness and culture in its widest sense. Happy are those who are able to enjoy advantages. Here are books for the traveller, written in a pleasing and discursive style, fu information, yet much more than guide books– very beautiful and effective aids to the enjoyr of travel, both immediately and in retrospect.

Even more acceptable are these books to those who are less fortunate, for they supply in no s measure the joy of an actual visit to many of the countries and towns of Britain, and they more than a mere tantalising taste of the delights of foreign lands.

VOLUMES READY.

CAMBRIDGE. By M. A. R. Tuker and W. Matthison.
